Participant Instructions on Purchasing a FitSticker Without an Ole Miss Login

1. Go to www.imleagues.com and click “create account”. When creating an account, **DO NOT** select a school:

2. When choosing an e-mail, you **MUST** use a NON-SCHOOL EMAIL. When you are done registering your account, and you've activated it through your email, log in and click “create/join school” at the top.

3. Type the name of your school in the space provided. When it pulls up, click “join school”

4. You will receive an error message that states you cannot automatically join the network, but that you can send a request to be approved by an administrator at your school. Click “Send Request”:

**Note:** You will need to wait for an administrator to approve your request to join the school.
