- Expected to be physically active for the duration of a 3-4 hour shift
- Maintain current First Aid, CPR & AED certification throughout the duration of employment
- Estimated hours per week: 8-12

Outdoors – Trip Leader
- Certifications Required: Wilderness First Responder (WFR) and completion of EL 200.
  - A WFR course is offered through OMOD at the end of each Fall semester in December. OMOD subsidizes a large portion of this course, however it still requires an investment on your part. Certification through this course DOES NOT insure employment.
  - EL 200 is a class offered through the university and will give you two academic hours. It is generally once a week for a couple hours and is taught by the OMOD Graduate Assistant. You will be learning hard skills (how to pack a backpack, how to build a fire, etc.) and soft skills (fostering group dynamics, communicating with difficult participants, how to handle stressful situations, etc.), all while getting to know other potential trip leaders! You will also attend a Field Experience Trip with your class and intern on an OMOD trip with current trip leaders.
  - All trip leaders will also be required to hold a Office/Wall Attendant position.
- Assist in the planning and preparation of assigned trips and clinic, including scouting locations.
- Lead and/or facilitate clinics and day, weekend, and extended trips.
- Facilitate and provide a positive learning environment.
- Teach Leave No Trace (LNT) outdoor ethics principles.
- Promote and market all OMOD and Campus Recreation events.
- Maintain, clean, organize, and repair, outdoor equipment.
- Assist and perform pre- and post- trip logistics.
- Adhere to all UM, CR, and OMOD policies and procedures on trips.
- Stay current on outdoor trends and practices, including adaptive and inclusive recreation.
- Hours per week are based on trip, clinic, and special event registration numbers.

Outdoors – Challenge Course High Ropes Facilitator
- Certifications Required: Level 1 Challenge Course Facilitator Training and American Red Cross CPR/First Aid Certification.
  - The Level 1 Training is taught by Adventure Experiences, Inc. and is offered in May at the Rebel Challenge Course. This introductory training will teach the foundational skills you need to facilitate on the challenge course. Certification teaches the essential “hard” and “soft” skills to safely and effectively facilitate your program. The 5-day training will culminate with a written and practical test and is a one year certification.
  - All facilitators will also be required to hold a Office/Wall Attendant position.
- Foster positive group dynamics and facilitate the growth of transferable skills (i.e. communication, teamwork, trust) with all groups
- Ensure a safe and fun environment for all participants.
- The RCC elements include a high ropes (zip line, rock wall, flying squirrel, etc.) and low ropes (trust fall, etc.) course.
- Facilitators will be belay certified and will learn ropes course skills, such as setting up high elements, learning equipment, coiling a rope, and self-belay climb, and working with diverse
Student Employment Job Descriptions

- Hours per week are determined by demand of sessions.

**Outdoors - OMOD Representative**
- **Office Staff** - Provides customer service by assisting with trip registration, gear rentals, and merchandise sales. Cleans gear, answers questions, and completes administrative office functions. Oversees climbing wall patron profile, check-in, and equipment rental (Belay Devices, Harnesses, Shoes) while inspecting all equipment each shift and documenting any issues.
- **Route Setter** - Works to accomplish goals provided by the climbing wall supervisor and Graduate Assistant in regards to stripping the wall, setting new routes, and prepping for climbing wall competitions during closed climbing wall hours.
- **Climbing Wall Attendant** - Entry level position responsible for setting up, inspecting, and putting up ropes at the beginning and end of shifts and taking care of any hold maintenance issue; providing a friendly and welcoming atmosphere at the wall while belaying and interacting with participants.
- **Climbing Wall Supervisor** - Perform all roles of a Climbing Wall Attendant with the additional responsibility of filling out opening and closing reports, incident and accident reports, and is the point of contact for risk management and customer service and assumes decision making responsibility if Graduate assistants and professional staff are not present. Provides belay instruction during belay lessons/clinics and facilitates patron belay tests.
- **Team-building & Low Ropes Facilitator** - foster positive group dynamics and facilitate the growth of transferable skills (i.e. communication, teamwork, trust) with all groups.
