Welcome to Ole Miss Campus Recreation

Thank you for your interest in becoming an advertising partner with the Department of Campus Recreation at the University of Mississippi. Our facilities and programs provide excellent visibility for our sponsors and we greatly appreciate their support in promoting health and well-being across our university community. Campus Recreation has experienced long-standing relationships with several of our current advertising partners, as they have seen the benefit of their involvement with our organization and Campus Recreation services have been enhanced through collaboration with our partners. We have high-profile, high-visibility campus spaces, and our department is well-respected for the work we do on campus and in our community. We hope you will find alignment with an organization that aspires to be a flagship department on our flagship campus. Thanks again for your consideration and we look forward to working with you!

Who We Are

Our Mission
Campus Recreation provides outstanding services, inclusive programs, and educational opportunities to empower the University of Mississippi community in the pursuit of lifelong well-being.

Our Vision
The Flagship
The term flagship is used in common vernacular to identify the most important or leading member of a group. It has also come to be an adjective describing the most prominent or highly touted product, brand, location, or service among those offered by a company. Flagship universities are typically recognized as the best-known institutions in the state.

At Campus Recreation, our vision is to be The Flagship.

- We want to be recognized as one of The Flagship department at the University of Mississippi.
- We want to be viewed as The Flagship university recreation program in the state.
- We want to be considered one of The Flagship collegiate recreation departments in the nation.

We want our staff to be dedicated to this concept of being The Flagship, a premier organization dedicated to high performance and recognized for excellence.

Our Facilities

South Campus Recreation Center

The Department of Campus Recreation opened the South Campus Recreation Center on August 26, 2019. The facility provides outstanding opportunities for the university community to pursue lifelong well-being and serves as a transformational space in providing University of Mississippi students a premier collegiate experience.

The 98,000 SF facility includes several innovative elements including a 6,000 SF functional training zone (4,000 SF inside, 2,000 SF outside). The centerpiece of the facility is north Mississippi’s only indoor climbing wall. There is abundant fitness space (25,000 SF), three fitness studios, two basketball courts, a multi-activity court, a walking/jogging track, a classroom demonstration kitchen, and a convenience store.

Blackburn-McMurray Outdoor Sports Complex

The Blackburn-McMurray Outdoor Sports is a 12 acre sports complex that includes a 23 hole disc golf course, 2 sand volleyball courts, a MoveStrong FitGround (The Fit Rig), and intramural and sport club fields. This complex is used by student organizations, Army ROTC, disc golfers, University athletic camps, intramural sports, sport clubs, and Ole Miss football tailgaters (RVs). The road that turns directly by the Sports Complex is a highly traveled route from West Jackson Avenue to campus.
Our Facilities

**Turner Center**

The 155,000 sq. ft. recreation facility is the primary recreation facility on the main campus. The Department of Campus Recreation and the Department of Health Exercise Science and Recreation Management are housed in the facility. There are approximately 150 academic courses that take place in the facility each year. The Turner Center also serves as the main indoor facility for Intramural Sports.

The Turner Center houses a gymnasium that accommodates four basketball courts, two volleyball courts, and three badminton courts; a jogging track, a 10,000 square feet fitness center, 3 group fitness studios that can accommodate a variety of fitness classes ranging from yoga, to cycle, to TRX; a natatorium, three racquetball courts, one squash court, and a multi-purpose game room.

**Tennis Courts**

Six lighted courts are located to the southwest of the Turner Center. The courts are used for academic classes and recreational use and are rented out by campus departments and student organizations for special events.
